How this benefits you?

Searching for work can be a daunting and time-consuming task, but we are here to help. With our specialised knowledge of the employment market, we can show you how to stand out to employers and secure interviews.

Our one-on-one coaching sessions and online career modules ensure you have all the tools you need to give you an outstanding advantage in the employment market.

What's included?

- ✔ 8 Embodied career transition modules
- ✔ Face-to-face career coaching sessions
- ✔ Creating a personal brand
- ✔ Financial coaching session
- ✔ Cover letter & resume assistance
- ✔ 6 month follow-up coaching session
- ✔ Mapping of the employment market
- ✔ Salary & contract negotiations
- ✔ Detailed action plan

How do I get started?

Upon commencement of the program, we will set you up on the career management portal, and arrange for your career consultant to meet with you to commence a coaching session. Call us to get started.
